LOCAL  
EDUCATION &  
ACTIVITIES  
FOUNDATION  
For St. Cloud Area School District 742

**WELCOME TO THE  
FOURTEENTH ANNUAL NIGHT OF THE STARS  
VARIETY SHOW PRESENTED BY DISTRICT 742  
LOCAL EDUCATION & ACTIVITIES FOUNDATION (LEAF)**

The first Night of the Stars performance was held in April, 2002 at the St. Cloud Civic Center. In 2005, a change of venue moved the Night of the Stars to the Paramount Theater and introduced a new format – a variety show. With the hard work for the Night of the Stars event committee, and of course, our wonderful performers, this annual event has become a highlight of the school year, a great opportunity to raise funds for the LEAF Endowment for activities, and a chance for student and staff to be stars for the night!

The Night of the Stars continues to be a major fundraising event for LEAF, with proceeds divided between the school activities programs and the LEAF Endowment.

**About LEAF:** for over 20 years, the district 742 Local Education & Activities Foundation (LEAF), has promoted a comprehensive education and enhanced development for all students by securing and providing funding for academics, activities, arts and athletics in District 742 schools. **Visit [www.leaf742.org](http://www.leaf742.org) to learn more about LEAF.**

**LEAF MISSION**

The District 742 Local Education & Activities Foundation (LEAF) is a citizens' organization whose purpose is to secure and channel private funds to support and enhance the educational process. The Foundation shall serve to promote the value of a comprehensive educational program and to increase public confidence and involvement in the public school system. It shall build links among the public school system, business and industry, government, civic organizations, and the public.
