For St. Cloud Area School District 742

**WELCOME TO THE
SIXTEENTH ANNUAL NIGHT OF THE STARS
VARIETY SHOW PRESENTED BY DISTRICT 742
LOCAL EDUCATION & ACTIVITIES FOUNDATION (LEAF)**

The first Night of the Stars performance was held in April, 2002 at the St. Cloud Civic Center. In 2005, a change of venue moved the Night of the Stars to the Paramount Theater and introduced a new format – a variety show. With the hard work for the Night of the Stars event committee, and of course, our wonderful performers, this annual event has become a highlight of the school year, a great opportunity to raise funds for the LEAF Endowment for activities, and a chance for student and staff to be stars for the night!

The Night of the Stars continues to be a major fundraising event for LEAF, with proceeds divided between the school activities programs and the LEAF Endowment.

About LEAF: For over 20 years, the District 742 Local Education & Activities Foundation (LEAF), has promoted a comprehensive education and enhanced development for all students by securing and providing funding for academics, activities, arts and athletics in District 742 schools. **Visit www.leaf742.org to learn more about LEAF.**
