

Adopt a Classroom

In the fall of 2011, LEAF began an effort to connect local businesses and individuals with specific classrooms through the Adopt-A-Classroom program. The purpose of the Adopt-A-Classroom program is to help provide needed supplies that teachers and families usually have to purchase on their own. Businesses or individuals can “adopt” a classroom by making a \$250 contribution for the needed supplies. Thanks to our donors \$11,500 was collected in the first year of the Adopt-A-Classroom program. This allowed LEAF to provide 46 classrooms with \$250 grants for supplies.

In the fall of 2012, \$15,000 was collected and 60 classrooms around the District received \$250 supply grants.
