Dear Apollo Activities Friend:

Mark your calendars for the 5th Annual John Lieser Apollo Activities Golf Scramble & Social, to be held at the ***Territory Course on Friday, August 2, 2019!*** This event is a fundraiser for the Apollo Activities Program and is focused on fun and camaraderie with others who support Apollo activities. Participants include former students, past and present teachers/coaches, Apollo supporters and community members. This is the largest single fundraising event for Apollo Activities. The John Lieser Apollo Activities Scramble allows you to create 4 or 5-person teams and there will be a ***shotgun start at 1:00 pm.*** Current Apollo activities teams will provide unique contests on selected holes.

The cost of each participant is only \$90, which includes 18 holes of golf, range balls, food and soft drinks/health drinks on the course, many individual contests, door prizes, and a special dinner/social following golf. All proceeds from this fundraiser are divided between an endowment for Apollo Activities (LEAF Foundation) and funding immediate needs within the Activities area. ***Be a Team Captain and find three/four friends to come out and have a great day while supporting a worthy cause! If you would prefer, the committee will assign you to a team, just return the registration form.***

Those who are not able to join the golf tournament are encouraged to come out for the evening social to create new memories with old friends. Cost of dinner/social only is \$25.
