

Automatic Payroll Deduction

\$7.42=OPPORTUNITIES.

As educators and staff of District 742, you know that little things often make big differences. Through donations large and small, LEAF has granted over \$2,700,000 for District 742 academic, activities, arts and athletic opportunities. An automatic payroll deduction of just \$7.42 per month will help support these programs in your school. Please consider a donation. Your contributions will be recognized on our website and at various events throughout the year.

Just \$7.42 per month (only \$3.71 per pay period) will make a big difference to our students and community.

I would like my contribution to go to the LEAF Activities Participation Fund

This new fund helps disadvantaged youth participate in the student activities programs in District 742 by covering some of the costs for physicals, essential equipment for participation, transportation and other costs directly related to individual student participation. This fund received a significant gift from Liberty Bank and will begin making grants this fall.
