

Automatic Payroll Deduction

\$7.42=OPPORTUNITIES.

As educators and staff of District 742, you know that little things often make big differences. Through donations large and small, LEAF has granted over \$2,700,000 for District 742 academic, activities, arts and athletic opportunities. An automatic payroll deduction of just \$7.42 per month will help support these programs in your school. Please consider a donation. Your contributions will be recognized on our website and at various events throughout the year.

Just \$7.42 per month (only \$3.71 per pay period) will make a big difference to our students and community.
